

# Learning Profile™ Assessments

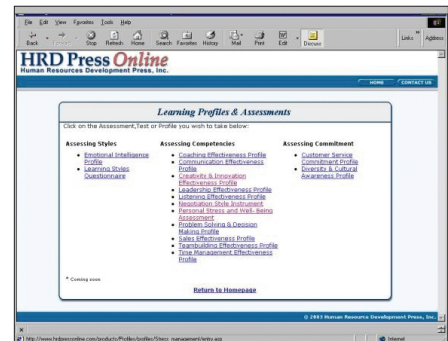

Unlimited Access Online or Paper (more than 20)

Each Licensee gains access to a complete selection of competency profile assessments that are easy to use, informative, and effective. Individuals are quickly provided a powerful synopsis of their skill level, a 10/10 report of strengths and improvement areas, a development plan outline, and more. Our **Learning Profile Assessments** provide the perfect foundation for self-development and are available for unlimited access online or in print.
